FOR IMMEDIATE RELEASE

PERTH COUNTY AND CITY OF STRATFORD FIRST RESPONDERS ASK LOCAL BUSINESSES & ORGANIZATIONS FOR PERSONAL PROTECTIVE EQUIPMENT

First responders across Perth County and the City of Stratford are asking the public for help sourcing Personal Protective Equipment (PPE) needed to ensure frontline workers are kept safe in the fight against COVID-19. These PPE supplies will be used by local paramedics, fire services, police, and hospitals.

If you are a local business or organization that has available PPE supplies in stock for immediate use, please email mcrawley@perthcounty.ca OR call Perth County Paramedic Services at 519-271-0531 x514

Indicate in the subject line – PPE Supplies. In your email, please state the number and type of PPE you have in stock for purchase or donation. Perth County staff will arrange time and location for pick-up.

Immediate supplies needed include:

- N95 masks, model number 3M18710, 3M9210 or 3MVFlex.
- Other models of N95 may be used after assessment by our staff
- Nitrile gloves
- Disposable impermeable gowns
- General surgical masks
- Hand sanitizer and disinfectant with a DIN#

On behalf of all Perth County and City of Stratford First Responders, thank you for your help. Together we will get through this and your generosity is appreciated.
